MEMORANDUM TO:

ORR

FROM :

25X1X7

1. The Services Division China Committee Minutes of 19 March 1959 contained some comments on statistical techniques used to estimate tons originated on Chinese railroads in 1958.

2. [REDACTED] has asked that details of this statistical study be made available to them, if this is permissible. They are interested both in the techniques used and the specific results which emerged.
